

NEMUEL MACHADO

6885 W. 91st Ct., Apt 22-104, Westminster, CO 80021 | nmachado03@gmail.com | (813) 808-3977

OBJECTIVE | To obtain a job in the welding industry that will allow me to grow both as a welder and as employee. I am willing to learn in order to enhance my experience in this industry. Through involvement with more seasoned welders and supervisors, I believe I can become a key member of any organization.

EXPERIENCE | **WELDER / FABRICATOR**, ALFA INDUSTRIAL MAINTENANCE, HIALEAH GARDENS, FL / OCT 2022 – DEC 2022
Provide maintenance to UPS locations from Key West to West Palm Beach. Fabricate to customer's specifications and needs to their ground equipment, loading ramps, and conveyor belts.

SHIPPING CLERK, CREATIVE STAFFING FOR SATCO PRODUCTS, MIAMI, FL / MAY 2022 – OCT 2022
Responsible for preparing cargo shipments in pallets by wrapping materials and preparing the paperwork for domestic shipping.

SHIPPING CLERK, CREATIVE STAFFING FOR BLUE WATER SHIPPING, MIAMI, FL / FEB 2022 – MAY 2022
Order processing and data entry of sold materials to process for the shipping department.

RECEIVING CLERK, DEDIENNE AEROSPACE, MIAMI, FL
DEC 2021 – JAN 2022
Responsible for receiving airport ground equipment-tooling materials, for in-house repairs. Reviewed documents and created work orders to send with the units to our shop.

WAREHOUSE CLERK, CARIBTRANS LOGISTICS, MIAMI, FL
JUL 2017 – DEC 2021
Responsible for handling all incoming cargo and inputting the cargo information into the system. Receive and organize cargo for FedEx, UPS, and USPS by placing cargo on different warehouse locations, depending on which port they are shipping to.

WAREHOUSE CLERK, REBUILDERS AUTOMOTIVE SUPPLY, TAMPA, FL
AUG 2016 – APR 2017
Responsible for the daily tasks in the air compressors department, to include sorting, shipping and packaging of sold merchandise. Handled the inventory of piece parts on a weekly basis. While employed at this company, they certified me in sit-down and stand-up forklifts.

SHIPPING CLERK, MAINTENANCE SUPPLY HEADQUARTERS, TAMPA, FL

APR 2015 – AUG 2016

Handled the pulling of merchandise from stock for sales orders, verified the material to the pick ticket and prepared it for shipping. Responsible for loading shipments onto trucks, participated in the yearly inventory and built pallets for FedEx freight shipments.

PRODUCTION LINE ASSISTANT, RAPID DISPLAYS, CHICAGO, IL

SEPT 2013 – JAN 2015

Responsible for setting up display equipment required for upcoming productions. Ensured that materials were always available in stock, as it was required to maintain a steady flow in production. Helped with packaging and substituted when others were on their breaks. Knowledgeable in all aspects of the production line, with hands-on experience from beginning to end of each project. Confirmed that all project displays shipped according to company policy. Knowledgeable in forklift for the assembly line set-up.

MEDICAL ASSISTANT, COMPASS HEALTH SYSTEM, NORTH MIAMI, FL

MAR 2012 – FEB 2013

Assisted with scheduling appointments for patients, verified insurance information, checked patients in and collected co-payments. Ensured that files were profiled correctly and in order. Created patient charts, took their vitals and prepped patients for doctor's visit. Injected patients with medications as requested by the doctor.
