## WORK EXPERIENCE

### Store Associate

Berry Blendz - Bloomington, MN - December 2016 to Present

Currently my duties include and are not limited to as follows..

Great customer service as providing a great refreshing smoothie or healthy juice options counting drawer at closing making deposit and tip slips for the day cleaning and stocking for everyday needs checking temps and health code requirements daily smile and just try to enjoy life while with a great refreshing drink

### Shift manager

Walgreens - Saint Paul, MN - September 2005 to June 2014

Responsibilities

Closing the store, opening the store, Cash handling, over seeing 14 other employees, taking customer concerns and also fixing the problems, cash reports, making sure the pricing in out store was always correct, fixing the inventory in my store as well.

Accomplishments

I believe I have a huge impact on my store I've been there for about 9 years I deal with the inventory in my store as well as the ordering to make sure we have what the customer needs I would say that's a pretty big accomplishment

Skills Used

I feel I'm a leader. I also have a way of talking to people so they feel there being understood at all times I'm the kinda person if I don't no the answer I will find out who does. I'm a fast learner I'm always on time to work cuz I love what I do and that's working with people

### Store manager

Clean n press - Saint Paul, MN - April 2002 to September 2005

Responsibilities

Cash drops, counting safe, over saw 6 of my own employees, scheduled making, ordering supply's for my store, took in customers clothing, did the hiring and other HR responsibilities,

Accomplishments

I feel I had a large impact at my store while I was there. I brought more customers by handing out flyers and coupons on a weekly basis I also new most of me customers by name. I helped make that store in to a friendly and happy place to work.

Skills Used

determination, loyalty, trustworthy are 3 of the skills I use at this job and here is how. Determination I used everyday to come to work on time finish all the tasks I had to do for the day to make my store run smooth loyalty and trustworthy I used as following always being there for my employees and fellow managers when they needed me. Always making sure my customers were happy and sticking to our word of a great place to dry clean your items

#### SKILLS

Checking inventory and ordering for whole departments and stores Pos system word processor telxon functions cash management knowing how to be a team leader and teaching someone something new and different so we are all equally trained (10+ years)

#### ADDITIONAL INFORMATION

I'm a hard working single mother who knows how hard work will some day really pay off I stand by saying treat people how you would like to be treated because someday you might be on that side of the table! Looking in and wishing you didn't.. I believe people make mistakes along the way. Why to teach us throught our lifetime the real definition on life and What we make of it after that's the real key
