Form W-4 (2017)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2017 expires February 15, 2018. See Pub. 505, Tax Withholding and Estimated Tax.

Note: If another person can claim you as a dependent on his or her tax return, you can't claim exemption from withholding if your total income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

Exceptions. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- Is age 65 or older,
- Is blind, or
- Will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions don't apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you aren't exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2017. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.

Personal Allowances Worksheet (Keep for your records.)

A	Enter "1" for yourself if no one else can claim you as a dependent	A	0

C	Enter "1" for your spouse . But, you may choose to enter "-0-" if you are married and have either a working spouse or more than one job. (Entering "-0-" may help you avoid having too little tax withheld.)	C	0
D	Enter number of dependents (other than your spouse or yourself) you will claim on your tax return	D	0
E	Enter "1" if you will file as head of household on your tax return (see conditions under Head of household above)	E	0

G	Child Tax Credit (including additional child tax credit). See Pub. 972, Child Tax Credit, for more information. • If your total income will be less than \$70,000 (\$100,000 if married), enter "2" for each eligible child; then less "1" if you have two to four eligible children or less "2" if you have five or more eligible children. • If your total income will be between \$70,000 and \$84,000 (\$100,000 and \$119,000 if married), enter "1" for each eligible child.	G	0
H	Add lines A through G and enter total here. (Note: This may be different from the number of exemptions you claim on your tax return.) ►	H	0

For accuracy, complete all worksheets that apply.

• If you plan to **itemize** or **claim adjustments to income** and want to reduce your withholding, see the **Deductions and Adjustments Worksheet** on page 2.

• If you are **single and have more than one job** or are **married and you and your spouse both work** and the combined earnings from all jobs exceed \$50,000 (\$20,000 if married), see the **Two-Earners/Multiple Jobs Worksheet** on page 2 to avoid having too little tax withheld.

• If **neither** of the above situations applies, **stop here** and enter the number from line H on line 5 of Form W-4 below.

A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-567-8688.
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

RECEIVE YOUR PAY WITHOUT DELAY

In order for you to continue to receive your pay each week without delay we are encouraging all employees to use direct deposit or Global Cash Card. **It is becoming more and more difficult for employees to cash checks without fees or delay due to increased security at all banks. Also, if your check is lost or stolen you will have to wait 3 days for another check.**

GLOBAL CASH CARD

If you don't have a bank account, computer access or don't want to use direct deposit you can use **Global Cash Card** which works like a Visa.

- There are **NO FEES** for the card for your first transaction as a cash withdrawal at an ATM or if you use it like a credit card (not debit) to make individual signature purchases.
- **If you don't have access to a computer you can receive TEXT notifications for your pay check amount on pay day as well as what the current balance is. You can also receive low balance notifications set to the dollar amount that you determine on the attached form.**
- You may call Customer Service 24 hours a day, 7 days a week, 365 days a year at 888-220-4477 for balance inquiries or other questions. (Para Español, apriete dos)
- You can pay bills with the GCC (by phone/internet/in person). You can also set up your online account to make automatic payments.

Please complete the attached form and turn it in to your manager as soon as possible indicating whether you would like direct deposit or Global Cash Card. Please make sure you include an email address.

Healthcare Notice of Exchange

As your employer, we are required to provide you with the following information under Section 1512 of the Affordable Care Act:

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

*****The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area*****

If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information:

Abstract The purpose of this study was to determine whether there were differences in the prevalence of self-reported depression between men and women who had been exposed to violence during childhood and those who had not. Data from the National Longitudinal Study of Adolescent Health (*N = 9,800*) were used to examine the relationship between exposure to violence during childhood and self-reported depression among adolescents aged 15–17 years. Results showed that exposure to violence during childhood was associated with higher rates of self-reported depression among both males and females. However, the association was stronger for females than for males.

A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-567-8688.
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

ADDITIONAL INFORMATION ABOUT THE FAIR CREDIT REPORTING ACT

The Summary of Your Rights provided above does not reflect certain amendments contained in the Consumer Reporting Employment Clarification Act of 1998. The following additional information may be important for you:

- Records of convictions of crimes can be reported regardless of when they occurred.
- If you apply for a job that is covered by the Department of Transportation's authority to establish qualifications and the maximum hours for that job and you apply by mail, telephone, computer, or other similar means, your consent to a consumer report may validly be obtained orally, in writing, or electronically. If an adverse action is taken against you because of a consumer report for which you gave your consent over the telephone, computer, or similar means, you may be informed of the adverse action and the name, address and phone number of the consumer reporting agency, orally, in writing, or electronically.

ARTICLE 23-A
LICENSURE AND EMPLOYMENT OF PERSONS PREVIOUSLY
CONVICTED OF ONE OR MORE CRIMINAL OFFENSES

Section 750. Definitions.

Section 751. Applicability.

Section 752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited.

Section 753. Factors to be considered concerning a previous criminal conviction; presumption.

Section 754. Written statement upon denial of license or employment.

Section 755. Enforcement.

§ 750. Definitions. For the purposes of this article, the following terms shall have the following meanings:

- (1) "Public agency" means the state or any local subdivision thereof, or any state or local department, agency, board or commission.
- (2) "Private employer" means any person, company, corporation, labor organization or association which employs ten or more persons.
- (3) "Direct relationship" means that the nature of criminal conduct for which the person was convicted has a direct bearing on his fitness or ability to perform one or more of the duties or responsibilities necessarily related to the license, opportunity, or job in question.
- (4) "License" means any certificate, license, permit or grant of permission required by the laws of this state, its political subdivisions or instrumentalities as a condition for the lawful practice of any occupation, employment, trade, vocation, business, or profession. Provided, however, that "license" shall not, for the purposes of this article, include any license or permit to own, possess, carry, or fire any explosive, pistol, handgun, rifle, shotgun, or other firearm.
- (5) "Employment" means any occupation, vocation or employment, or any form of vocational or educational training. Provided, however, that "employment" shall not, for the purposes of this article, include membership in any law enforcement agency.

§ 751. Applicability. The provisions of this article shall apply to any application by any person for a license or employment at any public or private employer, who has previously been convicted of one or more criminal offenses in this state or in any other jurisdiction, and to any license or employment held by any person whose conviction of one or more criminal offenses in this state or in any other jurisdiction preceded such employment or granting of a license, except where a mandatory forfeiture, disability or bar to employment is imposed by law, and has not been removed by an executive pardon, certificate of relief from disabilities or certificate of good conduct. Nothing in this article shall be construed to affect any right an employer may have with respect to an intentional misrepresentation in connection with an application for employment made by a prospective employee or previously made by a current employee.

§ 752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited. No application for any license or employment, and no employment or license held by an individual, to which the provisions of this article are applicable, shall be denied or acted upon adversely by reason of the individual's having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when such finding is based upon the fact that the individual has previously been convicted of one or more criminal offenses, unless:

- (1) there is a direct relationship between one or more of the previous criminal offenses and the specific license or employment sought or held by the individual; or
- (2) the issuance or continuation of the license or the granting or continuation of the employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

§ 753. Factors to be considered concerning a previous criminal conviction; presumption.

1. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall consider the following factors:
 - (a) The public policy of this state, as expressed in this act, to encourage the licensure and employment of persons previously convicted of one or more criminal offenses.
 - (b) The specific duties and responsibilities necessarily related to the license or employment sought or held by the person.
 - (c) The bearing, if any, the criminal offense or offenses for which the person was previously convicted will have on his fitness or ability to perform one or more such duties or responsibilities.
 - (d) The time which has elapsed since the occurrence of the criminal offense or offenses.
 - (e) The age of the person at the time of occurrence of the criminal offense or offenses.
 - (f) The seriousness of the offense or offenses.
 - (g) Any information produced by the person, or produced on his behalf, in regard to his rehabilitation and good conduct.
 - (h) The legitimate interest of the public agency or private employer in protecting property, and the safety and welfare of specific individuals or the general public.
2. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall also give consideration to a certificate of relief from disabilities or a certificate of good conduct issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified therein.

§ 754. Written statement upon denial of license or employment. At the request of any person previously convicted of one or more criminal offenses who has been denied a license or employment, a public agency or private employer shall provide, within thirty days of a request, a written statement setting forth the reasons for such denial.

§ 755. Enforcement.

DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

Alcohol and drug abuse adversely affects job performance, the kind of work an employee performs and an employee's opportunities for successful employment. It is the intent of this document to provide employees with ESSG's [hereafter "the Company"] policy regarding the use of drugs and alcohol while at work. The Company does not intend to intrude into the private lives of its employees, but strongly believes that a drug-free workplace is in the best interest of employees and non-employees alike.

II. SCOPE

This policy applies to all applicants for employment and to all employees including contract or temporary employees. The policy is applicable at Company facilities or whenever Company employees are performing company business.

III. DISCLAIMER

Employment at the Company is at-will. This policy is not a unilateral employment contract and should not be interpreted as creating a unilateral employment contract.

IV. PROHIBITIONS

A. No employee shall report to work under the influence of alcohol, any controlled substances, or any other drugs or medications that may affect the employee's alertness, coordination, reaction, response, judgment, decision-making, or safety.

B. No employee shall operate, use, or drive any equipment, machinery, or vehicle of the Company or any client of Company while under the influence of alcohol, any controlled substances, or any other drugs or medications that may adversely affect the employee's ability to operate such equipment, machinery, or vehicle. Employees are under an affirmative duty to immediately notify their supervisor if they are not in an appropriate mental or physical condition to operate, use, or drive any equipment machinery, or vehicle or otherwise safely perform their job duties.

C. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer, or use a controlled substance in the workplace or wherever the Company's work is being performed.

D. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform his/her work for the Company. In such circumstances, the employee is subject to discipline.

E. When an employee is taking medically authorized drugs or other substances that may alter job performance, the employee is under an affirmative duty to notify their supervisor of the temporary inability to perform his or her job duties.

F. The Company shall notify the appropriate law enforcement agency, licensing boards, and other relevant authorities when it has reasonable suspicion to believe that an employee may have illegal drugs in his or her possession at work or on company premises.

G. Employees shall not consume alcoholic beverages during lunch periods, dinner periods, or breaks when returning immediately thereafter to perform work on behalf of the Company. In situations where the employee conducts the Company's business after the intake of alcohol, the employee shall be subject to discipline up to and including discharge.

V. ALCOHOL AND DRUG TESTING

As part of the Company's commitment to an alcohol and drug-free workplace, the Company reserves the right to require that applicants and employees submit to drug or alcohol testing in accordance with the provisions of applicable law. This policy represents the notice required under applicable law and a copy will be provided to all applicants and employees who are requested to undergo testing. In the event of any conflict between this policy and applicable law in effect at the time of the test, the law will control.

A. Who May be Subject to Testing.

1. Job Applicants. The Company may require that all applicants for a particular position be tested for drugs or alcohol after receiving a conditional offer of employment. If the applicant tests positive for drugs or alcohol, the conditional offer may be withdrawn.

2. Routine Physical Examination Testing. The Company may require employees to undergo a drug or alcohol test once a year as part of a routine physical examination. Affected employees will be given two weeks written notice that they will be tested for drugs or alcohol as part of a routine physical.

3. Random Testing. The Company may require employees in safety-sensitive positions to undergo testing on a random selection basis. Once the random selection has been made, the Company will not waive the selection of any employees identified through the random process.

4. Reasonable Suspicion Testing. The Company may require an employee to undergo drug or alcohol testing if the Company reasonably suspects that the employee:

- a. is under the influence of drugs or alcohol;
- b. has violated the Company's written work rules prohibiting drug and alcohol use;
- c. has sustained or caused another employee to sustain personal injury; or
- d. has caused a work-related accident or was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident.

5. Treatment Program Testing. The Company may require an employee who has been referred for chemical dependency treatment or evaluation or is participating in a treatment program under an employee benefit plan to undergo drug or alcohol testing on a random basis and without advance notice during the evaluation or treatment period and for up to two years following the completion of any treatment program.

B. Conducting the Testing.

1. Consent. All employees required to undergo testing will be required to complete and sign the employee consent form attached as Appendix A.

2. Refusal to Participate. An employee or job applicant has the right to refuse testing. However, a refusal of testing will be treated as a failure to comply with Company policy and may result in withdrawal of a job offer or disciplinary action up to and including termination of employment.

3. The Laboratory. The Company will use a laboratory certified by the National Institute on Drug Abuse (NIDA) or its successor, the College of American Pathologists (CAP), or the New York State Department of Health or other licensing body recognized by applicable law to perform all drug and alcohol tests.

4. Test Results.

The laboratory will conduct both an initial test and a confirmatory test if the initial test is positive. A negative result on either the initial or confirmatory test will be deemed a negative test result (i.e. the employee passed the test). A positive result on both the initial and confirmatory test will be deemed a positive test result (i.e. the employee failed the test.)

a. Negative Test Result. An employee or applicant who tests negative for drugs or alcohol will be given written notice that they passed the test within three working days of the Company receiving the test results from the testing laboratory.

b. Positive Test Result. An employee or applicant who tests positive for drugs or alcohol will be given written notice that they have failed the test within three working days of the Company receiving the test results from the testing laboratory. The employee or applicant will then be given the opportunity to provide any information to explain the positive result, including any over-the-counter or prescription medications the employee or applicant may have taken. An employee or applicant who wishes to submit any explanatory information must do so within three working days after being notified of the positive test result.

An employee or applicant who has a positive test result may also request a retest of the original sample by the same or different certified laboratory at his or her own expense. An employee or applicant who wishes to conduct a retest must notify the Company in writing of their intention to conduct such a retest within five working days after being notified of the positive test result. If the results of the retest are negative, the test will be considered a negative test result.

C. Right to Test Result. An employee or job applicant has the right to request and receive from the Company a copy of the test result report on any drug or alcohol test.

C. Costs. All costs related to alcohol and drug testing will be paid by the Company, with the exception of any retests requested by the employee or applicant following a positive test result.

D. Disciplinary Action in Response to a Positive Test Result.

1. Interim Discipline and Action: The Company reserves the right to temporarily suspend an employee or transfer the employee to another position at the same rate of pay pending the outcome of any drug or alcohol test. An employee who is suspended without pay will be reinstated with back pay if the test or any requested retest is negative.

2. Applicants. The Company reserves the right to withdraw the conditional job offer of any job applicant with a positive test result, without the opportunity to complete evaluation or treatment.

3. Employees - First Positive Test Result - Termination: The Company will not discharge an employee for the first positive test result. Instead the employee will be given the opportunity to participate in an appropriate drug or alcohol counseling or rehabilitation program as determined by a certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency chosen by the Company. The employee will be responsible for paying all costs associated with any evaluation and subsequent treatment themselves or pursuant to coverage under an employee benefit plan. An employee who refuses or fails to participate in, cooperate with, or complete the evaluation or recommended treatment may be terminated. An employee who successfully completes treatment may be subject to random follow-up testing for a period of up to two years in accordance with section V.A.5. of this policy.

4. Employees - First Positive Test Result—Discipline: The Company reserves the right to take any other disciplinary action short of discharge it deems warranted following a first positive test result.

5. Employees-Subsequent Positive Test Result: An employee who has more than one positive test result may be terminated immediately following any second or subsequent positive test result without referral to or the opportunity to complete additional chemical dependency counseling or rehabilitation.

E. Privacy of Test Results.

1. Test results and other information acquired as a result of the testing program are private and confidential information and will not be disclosed by the Company or the testing laboratory to another employee or to third party individuals, government agencies, or private organizations without written consent of the employee or applicant being tested.

2. Evidence of a positive test result, however, may be used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing, or a judicial proceeding, provided the information is relevant to the hearing or proceeding. Such evidence may also be disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order. Evidence of a positive test result may also be disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment.

3. The Company will provide an employee with access to information in the employee's file relating to positive test result reports and other information acquired in the testing process as well as conclusions drawn from or actions taken based upon such information.

A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
- Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- You may limit “prescreened” offers of credit and insurance you get based on information in your credit report. Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. ARTICLE 23-A

LICENSURE AND EMPLOYMENT OF PERSONS PREVIOUSLY
CONVICTED OF ONE OR MORE CRIMINAL OFFENSES

Section 750. Definitions.

Section 751. Applicability.

Section 752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited.

Section 753. Factors to be considered concerning a previous criminal conviction; presumption.

Section 754. Written statement upon denial of license or employment.

Section 755. Enforcement.

§ 750. Definitions. For the purposes of this article, the following terms shall have the following meanings:

- (1) "Public agency" means the state or any local subdivision thereof, or any state or local department, agency, board or commission.
- (2) "Private employer" means any person, company, corporation, labor organization or association which employs ten or more persons.
- (3) "Direct relationship" means that the nature of criminal conduct for which the person was convicted has a direct bearing on his fitness or ability to perform one or more of the duties or responsibilities necessarily related to the license, opportunity, or job in question.
- (4) "License" means any certificate, license, permit or grant of permission required by the laws of this state, its political subdivisions or instrumentalities as a condition for the lawful practice of any occupation, employment, trade, vocation, business, or profession. Provided, however, that "license" shall not, for the purposes of this article, include any license or permit to own, possess, carry, or fire any explosive, pistol, handgun, rifle, shotgun, or other firearm.
- (5) "Employment" means any occupation, vocation or employment, or any form of vocational or educational training. Provided, however, that "employment" shall not, for the purposes of this article, include membership in any law enforcement agency.

§ 751. Applicability. The provisions of this article shall apply to any application by any person for a license or employment at any public or private employer, who has previously been convicted of one or more criminal offenses in this state or in any other jurisdiction, and to any license or employment held by any person whose conviction of one or more criminal offenses in this state or in any other jurisdiction preceded such employment or granting of a license, except where a mandatory forfeiture, disability or bar to employment is imposed by law, and has not been removed by an executive pardon, certificate of relief from disabilities or certificate of good conduct. Nothing in this article shall be construed to affect any right an employer may have with respect to an intentional misrepresentation in connection with an application for employment made by a prospective employee or previously made by a current employee.

§ 752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited. No application for any license or employment, and no employment or license held by an individual, to which the provisions of this article are applicable, shall be denied or acted upon adversely by reason of the individual's having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when such finding is based upon the fact that the individual has previously been convicted of one or more criminal offenses, unless:

- (1) there is a direct relationship between one or more of the previous criminal offenses and the specific license or employment sought or held by the individual; or
- (2) the issuance or continuation of the license or the granting or continuation of the employment would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

§ 753. Factors to be considered concerning a previous criminal conviction; presumption.

1. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall consider the following factors:
 - (a) The public policy of this state, as expressed in this act, to encourage the licensure and employment of persons previously convicted of one or more criminal offenses.
 - (b) The specific duties and responsibilities necessarily related to the license or employment sought or held by the person.
 - (c) The bearing, if any, the criminal offense or offenses for which the person was previously convicted will have on his fitness or ability to perform one or more such duties or responsibilities.
 - (d) The time which has elapsed since the occurrence of the criminal offense or offenses.
 - (e) The age of the person at the time of occurrence of the criminal offense or offenses.
 - (f) The seriousness of the offense or offenses.
 - (g) Any information produced by the person, or produced on his behalf, in regard to his rehabilitation and good conduct.
 - (h) The legitimate interest of the public agency or private employer in protecting property, and the safety and welfare of specific individuals or the general public.
2. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall also give consideration to a certificate of relief from disabilities or a certificate of good conduct issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified therein.

§ 754. Written statement upon denial of license or employment. At the request of any person previously convicted of one or more criminal offenses who has been denied a license or employment, a public agency or private employer shall provide, within thirty days of a request, a written statement setting forth the reasons for such denial.

§ 755. Enforcement.

1. In relation to actions by public agencies, the provisions of this article shall be enforceable by a proceeding brought pursuant to article seventy-eight of the civil practice law and rules.
2. In relation to actions by private employers, the provisions of this article shall be enforceable by the division of human rights pursuant to the powers and procedures set forth in article fifteen of the executive law, and, concurrently, by the New York city commission on human rights.

DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

Alcohol and drug abuse adversely affects job performance, the kind of work an employee performs and an employee's opportunities for successful employment. It is the intent of this document to provide employees with ESSG's [hereafter "the Company"] policy regarding the use of drugs and alcohol while at work. The Company does not intend to intrude into the private lives of its employees, but strongly believes that a drug-free workplace is in the best interest of employees and non-employees alike.

II. SCOPE

This policy applies to all applicants for employment and to all employees including contract or temporary employees. The policy is applicable at Company facilities or whenever Company employees are performing company business.

III. DISCLAIMER

Employment at the Company is at-will. This policy is not a unilateral employment contract and should not be interpreted as creating a unilateral employment contract.

IV. PROHIBITIONS

A. No employee shall report to work under the influence of alcohol, any controlled substances, or any other drugs or medications that may affect the employee's alertness, coordination, reaction, response, judgment, decision-making, or safety.

B. No employee shall operate, use, or drive any equipment, machinery, or vehicle of the Company or any client of Company while under the influence of alcohol, any controlled substances, or any other drugs or medications that may adversely affect the employee's ability to operate such equipment, machinery, or vehicle. Employees are under an affirmative duty to immediately notify their supervisor if they are not in an appropriate mental or physical condition to operate, use, or drive any equipment machinery, or vehicle or otherwise safely perform their job duties.

C. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer, or use a controlled substance in the workplace or wherever the Company's work is being performed.

D. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform his/her work for the Company. In such circumstances, the employee is subject to discipline.

E. When an employee is taking medically authorized drugs or other substances that may alter job performance, the employee is under an affirmative duty to notify their supervisor of the temporary inability to perform his or her job duties.

F. The Company shall notify the appropriate law enforcement agency, licensing boards, and other relevant authorities when it has reasonable suspicion to believe that an employee may have illegal drugs in his or her possession at work or on company premises.

G. Employees shall not consume alcoholic beverages during lunch periods, dinner periods, or breaks when returning immediately thereafter to perform work on behalf of the Company. In situations where the employee conducts the Company's business after the intake of alcohol, the employee shall be subject to discipline up to and including discharge.

V. ALCOHOL AND DRUG TESTING

As part of the Company's commitment to an alcohol and drug-free workplace, the Company reserves the right to require that applicants and employees submit to drug or alcohol testing in accordance with the provisions of applicable law. This policy represents the notice required under applicable law and a copy will be provided to all applicants and employees who are requested to undergo testing. In the event of any conflict between this policy and applicable law in effect at the time of the test, the law will control.

A. Who May be Subject to Testing.

1. Job Applicants. The Company may require that all applicants for a particular position be tested for drugs or alcohol after receiving a conditional offer of employment. If the applicant tests positive for drugs or alcohol, the conditional offer may be withdrawn.

2. Routine Physical Examination Testing. The Company may require employees to undergo a drug or alcohol test once a year as part of a routine physical examination. Affected employees will be given two weeks written notice that they will be tested for drugs or alcohol as part of a routine physical.

3. Random Testing. The Company may require employees in safety-sensitive positions to undergo testing on a random selection basis. Once the random selection has been made, the Company will not waive the selection of any employees identified through the random process.

4. Reasonable Suspicion Testing. The Company may require an employee to undergo drug or alcohol testing if the Company reasonably suspects that the employee:

- a. is under the influence of drugs or alcohol;
- b. has violated the Company's written work rules prohibiting drug and alcohol use;
- c. has sustained or caused another employee to sustain personal injury; or
- d. has caused a work-related accident or was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident.

5. Treatment Program Testing. The Company may require an employee who has been referred for chemical dependency treatment or evaluation or is participating in a treatment program under an employee benefit plan to undergo drug or alcohol testing on a random basis and without advance notice during the evaluation or treatment period and for up to two years following the completion of any treatment program.

B. Conducting the Testing.

1. Consent. All employees required to undergo testing will be required to complete and sign the employee consent form attached as Appendix A.

2. Refusal to Participate. An employee or job applicant has the right to refuse testing. However, a refusal of testing will be treated as a failure to comply with Company policy and may result in withdrawal of a job offer or disciplinary action up to and including termination of employment.

3. The Laboratory. The Company will use a laboratory certified by the National Institute on Drug Abuse (NIDA) or its successor, the College of American Pathologists (CAP), or the New York State Department of Health or other licensing body recognized by applicable law to perform all drug and alcohol tests.

4. Test Results.

The laboratory will conduct both an initial test and a confirmatory test if the initial test is positive. A negative result on either the initial or confirmatory test will be deemed a negative test result (i.e. the employee passed the test). A positive result on both the initial and confirmatory test will be deemed a positive test result (i.e. the employee failed the test.)

a. Negative Test Result. An employee or applicant who tests negative for drugs or alcohol will be given written notice that they passed the test within three working days of the Company receiving the test results from the testing laboratory.

b. Positive Test Result. An employee or applicant who tests positive for drugs or alcohol will be given written notice that they have failed the test within three working days of the Company receiving the test results from the testing laboratory. The employee or applicant will then be given the opportunity to provide any information to explain the positive result, including any over-the-counter or prescription medications the employee or applicant may have taken. An employee or applicant who wishes to submit any explanatory information must do so within three working days after being notified of the positive test result.

An employee or applicant who has a positive test result may also request a retest of the original sample by the same or different certified laboratory at his or her own expense. An employee or applicant who wishes to conduct a retest must notify the Company in writing of their intention to conduct such a retest within five working days after being notified of the positive test result. If the results of the retest are negative, the test will be considered a negative test result.

c. Right to Test Result. An employee or job applicant has the right to request and receive from the Company a copy of the test result report on any drug or alcohol test.

C. Costs. All costs related to alcohol and drug testing will be paid by the Company, with the exception of any retests requested by the employee or applicant following a positive test result.

D. Disciplinary Action in Response to a Positive Test Result.

1. Interim Discipline and Action: The Company reserves the right to temporarily suspend an employee or transfer the employee to another position at the same rate of pay pending the outcome of any drug or alcohol test. An employee who is suspended without pay will be reinstated with back pay if the test or any requested retest is negative.

2. Applicants. The Company reserves the right to withdraw the conditional job offer of any job applicant with a positive test result, without the opportunity to complete evaluation or treatment.

3. Employees - First Positive Test Result - Termination: The Company will not discharge an employee for the first positive test result. Instead the employee will be given the opportunity to participate in an appropriate drug or alcohol counseling or rehabilitation program as determined by a certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency chosen by the Company. The employee will be responsible for paying all costs associated with any evaluation and subsequent treatment themselves or pursuant to coverage under an employee benefit plan. An employee who refuses or fails to participate in, cooperate with, or complete the evaluation or recommended treatment may be terminated. An employee who successfully completes treatment may be subject to random follow-up testing for a period of up to two years in accordance with section V.A.5. of this policy.

4. Employees - First Positive Test Result—Discipline: The Company reserves the right to take any other disciplinary action short of discharge it deems warranted following a first positive test result.

5. Employees-Subsequent Positive Test Result: An employee who has more than one positive test result may be terminated immediately following any second or subsequent positive test result without referral to or the opportunity to complete additional chemical dependency counseling or rehabilitation.

E. Privacy of Test Results.

1. Test results and other information acquired as a result of the testing program are private and confidential information and will not be disclosed by the Company or the testing laboratory to another employee or to third party individuals, government agencies, or private organizations without written consent of the employee or applicant being tested.

2. Evidence of a positive test result, however, may be used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing, or a judicial proceeding, provided the information is relevant to the hearing or proceeding. Such evidence may also be disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order. Evidence of a positive test result may also be disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment.

3. The Company will provide an employee with access to information in the employee's file relating to positive test result reports and other information acquired in the testing process as well as conclusions drawn from or actions taken based upon such information.
