My name is Nathan Russell, and I have a passion of working hard, and pickup trucks. I work well with my hands and learn best doing so. I know most hand tools, power tools, and stationary tools, and how to use them properly. I'm not sure in what direction I want to go into for my career path but I'm a fast learner and able to work with anyone.

Authorized to work in the US for any employer

Work Experience

helper

Andover community center

February 2016 to Present

I help children (ages 3-13) learn the basic fundamentals of ice skating.

* Ex. Standing up, moving forward, jumping, and eventually more advanced footwork.

◦ I am able to handle various scenario's, like crying children or upset parents.

Saw Operator/ Welder

Zero Zone Refridgeration - Ramsey, MN

May 2018 to October 2018

I cut any given length of steel; angle, tubing, flat, or industrial. After cutting, I clean all the pieces using a degreaser and put them on a cart with its blueprints and job #. I occasionally put tacks on builds when needed using a MIG or Pulse Welder.
