I am a solid worker, i am looking to get out of food and go back into metal or try something new i just would like to work with my hands. I have done home remodeling, metal fabrication, i grew up in a tow truck so i am pretty open to things.

Authorized to work in the US for any employer

## Work Experience

---

### **Kitchen manager**

Cupbop Korean BBQ - Arvada, CO

April 2022 to Present

i do prep for the day

i cook the foods for the line

wash dishes

rotate and organize the walk in

clean the fryers

make orders

### **Press Brake Operator**

Easter forming - Arvada, CO

September 2021 to February 2022

formed metal to meet the blue print dimensions

cleaned the shop

drove forklift

### **Brake Press Operator**

Weisser - Arvada, CO

June 2020 to August 2021

formed metal to the dimension i was given on the blue prints

cleaned the shop

cleaned my machine

### **Brake Press Operator**

Majestic Metals - Thornton, CO

January 2016 to February 2020

I worked on many different types of machines to program them for the bends and settings i needed for the projects i was on. I did many different sized projects.

I helped do maintenance on the machines and routine cleaning.

### **Carpenter/Laborer**

Family Owned Company - Castle Rock, CO

November 2015 to January 2017

hung drywall

Installed doors,bathrooms, sinks,counter tops and many other things.

Helped putty and sand down whatever was needed and helped paint and clean when we were done. I learned many different things in the business that i have come to love working with my hands.
