Aims Community College-Greeley, CO

2013 to 2013

### **Upper secondary education**

## Skills

---

- Troubleshooting
- Implementing lean manufacturing processes - Projects implemented using lean manufacturing processes (3-5 projects)
- Sales
- Food handling
- Groundskeeping
- Equipment diagnostics
- Residential building maintenance experience
- Maintenance
- Power tools
- Facilities autonomous maintenance

- Low Voltage
- GMP
- Bar
- OSHA
- Lubrication
- Property maintenance
- Building interior maintenance
- Welding
- Plumbing fixture repair
- Facilities maintenance - Facilities maintenance experience (6-10 years)
- Cleaning equipment
- Mechanical Knowledge
- Schedule management
- Heavy lifting
- Automotive repair
- Culinary experience
- Assembly robots
- Mechanical troubleshooting
- Build automation
- Blueprint reading
- Assembly
- Packaging machines
- Lawn care
- Handyman experience
- Temperature monitoring
- Drum mixers
- Order fulfillment
- Soldering
- Time management
- Sewing
- Chemical handling safety procedures
- High voltage
- Vendor coordination
- Safety equipment
- Electrical systems facility management
- Chiller
- Phone etiquette
- Visual inspection for quality control
- Quality control
- Programmable logic controllers

- Equipment installation
- Facilities emergency maintenance
- Software troubleshooting
- Facilities corrective maintenance
- Personal Protective Equipment (PPE)
- Major facility renovations
- Facility safety audits
- Facilities routine maintenance
- Automotive Repair
- Continuous improvement
- Coaters
- Cooking
- Emergency repairs
- Injection molding machines
- Customer service
- Cleaning
- Team development
- Algebra
- Leadership
- Manufacturing
- Ammeter
- Facility inspection
- Industrial mechanic experience
- Compression testing
- Facilities equipment maintenance - Facilities equipment maintenance experience (3-5 years)
- Math
- Mechanical knowledge
- Production inventory management
- Forklift
- Labeling
- Overhead cranes
- Mechanic Experience
- Programmable Logic Controllers
- Industrial maintenance
- Equipment calibration
- Component installation
- 5S
- Electrical experience
- Replacing parts
- Millwright

- Microsoft Outlook
- Kitchen experience
- Carpentry
- Inventory management
- Welding machines
- Sewing machine
- Facilities fire safety systems
- Manual handling
- Organizational skills
- Supervising experience
- Panelboards
- Fabrication
- Packaging
- Managing production or assembly teams - Largest production or assembly team managed (More than 20 team members)
- Drywall
- Trading
- Fastening
- Demand forecasting for production planning
- Communication skills
- Renovation project management - Largest number of facility renovation projects managed (1 project)
- Schematics
- Manufacturing plant facilities maintenance experience
- CMMS
- Training & development
- Vendor relationship management
- Confined space entry safety procedures
- Computer networking
- Shipping & receiving
- Baking
- Machining equipment
- Crane operator, Quality inspection. Microsoft Word, Excel and PowerPoint. Computer literate. Lxe software operations. Red Prarie software operations. Team motivator. Self starter. Advanced learner.
- MIG welding
- Hand tools
- Managing facilities maintenance budgets - Largest facilities maintenance budget managed (\$1-\$100,000)
- Landscape maintenance
- Conveyor belts
- Landscaping
- Managing facilities maintenance teams - Largest facilities maintenance team managed (6-10 team members)

- Measuring instruments
- Mechanical systems repair
- Equipment repair
- Assembly wiring
- Pallet jack
- Building exterior maintenance
- Routine inspections
- Plumbing
- Air compressors
- LOTO
- Electrical safety procedures
- Building systems troubleshooting
- Plumbing system maintenance
- Facilities predictive maintenance
- Electrical fixture repair
- Warehouse experience
- Industrial controls

## Certifications and Licenses

---

### **Driver's License**

August 2023

### **LOTO certification**

### **Welding Certification**

### **Forklift Certification**
