I am a results-driven individual with proven ability to complete jobs quickly and correctly. Reliable and personal with a detail orientated nature. Motivated to maintain customer satisfaction and contribute to company success.

Authorized to work in the US for any employer

## Work Experience

---

### **CNC Machine Operator**

3J Inc - Wellington, CO

December 2016 to November 2017

I operated several machines at one time while learning to use required measuring devices, accurately measuring dimensions, reading blueprints, deburring parts, packing parts, tearing down finished jobs, setting up new jobs, editing programs and keeping my work stations clean.

### **General Manager**

Jiffy Lube - Longmont, CO

July 2014 to December 2016

I worked from the bottom up, starting with changing oil and doing routine car maintenance to having the highest sales the store has ever had and managing a 7 man crew.

### **Electrician**

Alpine Electric - Longmont, CO

March 2012 to July 2014

Commercial and residential electrical contracting. Installing new service, electrical repair, wiring repair, lighting install and various upgrades.

### **Elevator Mechanic**

National Elevator Services - Denver, CO

April 2010 to March 2014

Elevator mechanics install, maintenance and repair.

### **Electrician**

ADK - Denver, CO

January 2007 to April 2010

Commercial and residential high voltage work, in both new construction and remodels. I worked on many different projects some of which were Schools, apartment complexes, the Bowening Factory, the Denver Dry Building, as well as many of the Highrises in Downtown Denver just to name a few. I also did low voltage Fire Alarm Systems in many of these projects.

## Education

---
