WORK EXPERIENCE

Line Cook/Prep Cook

Gabriel's at The Old Mill LLC - Acworth, GA - March 2015 to October 2016

Responsibilities

I know the ins and outs of kitchen work pretty well. I can run fryers, salads, window, but im best on the grill. I make sure all food gets to the dining room in a smooth, orderly manner. I have experience cooking all of the following: Hamburgers, Steaks, Seafood, Chicken, Brunswick Stew, Chicken and Dumplings, Macaroni and Cheese, and thats only the start of what i have to offer. I bring a positive, and serious attitude to the workplace which always constitutes a productive shift. I only desire to leave my current job because I am not paid fairly for all the extra effort i put into effectively and efficiently running the restaurant. Ive waited months for a raise but to no avail. Im willing to exceed expectations for any company willing to pay me fairly, thank you.

Accomplishments

Me and my co-workers keep the restaurant running just like everyone else must do. I am part of one big team that can't work without the others. I have been recognized by my managers and coworkers that i am a very hard worker, am always respectful, and do as im instructed.

Skills Used

Fast paced kitchen work, reading tickets and preparing the food in a logical order, communication with everyone on the line, and working with others to get the job done. Im a team player but I can also lead very well.

I gave my 2 weeks so I could move to a better place for my family.

EDUCATION

N/A in Literature, Chemistry, Algebra, 3 years of Spanish, and Economics.

Woodland High School - Cartersville, GA

SKILLS

I have exceptional abilities with communication and I can speak basic Spanish. I've had experience in sales and customer service at Vector where I went through a week-long training program. I have a very expansive vocabulary and can handle almost any situation with words. I work in a fast pace line style kitchen so im fast and good at communicating with my coworkers. I bring a positive attitude every day regardless of personal problems, I enjoy leaving nothing but outstanding impressions on my coworkers and especially my boss/bosses. (2 years)

ADDITIONAL INFORMATION

I work very hard to ensure that my job is done properly at all times. I know talk is cheap but hire me and ill show you why actions speak louder than words.
