### **Shipping & Receiving Supervisor**

Ready Foods Inc. - Denver, CO

May 2014 to Present

I was hire to be a Shipping & receiving clerk. After 6 months I was in charge of training new hires and sending them to other facilities. I have SQF and BRC training, red zone, process pro and did multiple trainings in safety and quality control and know excel. I became the lead of S&R after 3 years and improved the department by cutting down personnel and increasing productivity with in my plant. I have the ability to work with people and run a group efficiency. I am currently the warehouse supervisor and overlook multiple plants.

I make sure there are no logistics issues and order go out on time with products ready to ship out with the proper SOP's.
