PROFILE

Im a 29 year old male, seeking employment with this company. I am a highly organized, highly disciplined, and a well mannered individual thanks, in part, to the military. I firmly believe I have great potential at anything I choose to involve myself with. I believe the training/skills i've acquired through the years may serve beneficial towards employment.

EXPERIENCE

FORKLIFT OPERATOR, MUSCATINE LOGISTICS LLC/ES3, MUSCATINE, IA - 2010-2013

Operate electric stand up & sit down fork lifts. Load and unload product, checking bill of lading for correct product & quantity. Scan inventory product into the computer system. Efficiently picks cases of product for customer orders, ensuring that the correct number and type of product is loaded. 50-70lbs in a repetitive nature.

FORKLIFT OPERATOR/LEAN CO-PILOT, MENASHA CORP., MUSCATINE, IA - 2008-2010

Work as a "floater" and help employees pick correct product and load into a bucket system. Load and Unload product according to customers schedule. Supply production team with parts needed to complete order. Maintain a lean aspect on work flow, standard work, and consolidation opportunities. Implement new efficient work methods to increase productivity while eliminating waste. Lean Six Sigma

UNIT SUPPLY SPECIALIST/UNIT ARMORER, USAR, DAVENPORT, IA — 2006-2010

Provide technical guidance to lower grade personnel. Inspects completed work for accuracy and compliance with established procedures. Coordinates supply activities. Reviews and annotates changes to organizational and installation property books and supporting transaction files. Determines method of obtaining relief from responsibility for lost, damaged and destroyed supply items.
