Work Experience

Production specialist

American Waterworks - Pine Island, MN
June 2016 to January 2018

Driver/Co-foreman , drove crew to jobsite from 20 minutes to 3 hours in distance. Once arriving , we did anything from basement waterproofing to foundation repair or windows (anything basement). Used heavy equipment such as jackhammer , rotary drill , sawzall and other powertools. Also helped carry 5 gallon buckets full of broken concrete up the stairs or long distances to the trailer for many hours.

Assembler

Con Tech - Dodge Center, MN
August 2015 to September 2015

Responsibilities

Assembled truck parts, worked with basic tools and power tools to assemble fenders, fans, hoses, air tanks and others smaller parts.

Accomplishments

Got introduced to manufacturing/Labor type work.

Skills Used

Ability to learn, communication with co-workers.

Team Member

Burger King - Kasson, MN
