Work Experience

Extraction lab operator

KAYAK/ Willies Reserve - Salida, CO

June 2020 to Present

Currently I'm in the production lab for KAYAK/Willies concentrates. I produce, track, and ensure the quality of various consistencies of concentrates including live resin. I operate and upkeep several machines including; hydrocarbon extraction machine, pressure ovens, chiller/heaters, vacuums, cryogenic freezer, rotavapor, drain droid, and short path distillation/screen wipe. I'm involved in R&D for products and have experience in data entry and collection. I work to ensure the hygiene of both products and equipment.

Assistant Manager

Shell - Salida, CO

March 2020 to June 2020

As assistant manager I ordered products, ensured safety sheet data entry, priced items, balanced sales data, deposited store money, and assisted customers.

Maintance Worker

Various RV parks - Multiple locations

March 2019 to March 2020

As a seasonal worker I traveled filling various roles at campsites. I have experience in both office work and park upkeep.

Front Desk Receptionist

Monarch Mountain Lodge - Salida, CO

April 2019 to September 2019

As a front desk representative I helped guest check in/out, took reservations, ran the hotel store, open/closed register, upheld lobby, answered and transferred calls, and sold ski/stay bundles over the phone.

Education
