## Sales Rep

Loveland, CO 80537

nicholaschoiniere3\_o99@indeedemail.com - (970)667-7144

My overall goal is to come to play a key role in a company that is customer driven, but also takes pride in their employees. I want to work for a company where I will be recognized for my skill and the quality of the work; where I will be taught and molded into a skilled craftsman.

Authorized to work in the US for any employer

## WORK EXPERIENCE

### Delivery Driver/Warehouse

THARP CABINET COMPANY - Loveland, CO - 2016-04 - 2017-05

1246 N Denver Ave. Loveland, CO 80537

(970)667-7144

2016- May, 2017

Jobs/ Functions: Delivery Driver - Complete DVIR each morning for vehicle and prepare for the days deliver(s). Load Vehicle and double check all pieces to the delivery are accounted for. File computer document for missing pieces. Maintain DOT log-book, and greet customers if delivery was for residential and not commercial.

Warehouse/FGI - Wrap finished products with Styrofoam and cellophane, keep account for all finished product that came downstream manufacturing line. Keep order of all paperwork necessary to the order. File backorders and short-orders for missing items, as well as input paperwork into ALICE (company program). Display completed orders in warehouse to be shipped per due date of delivery. Maintain neat and organized work station.

Assembly - Assemble and quality check finished product. Use various hand tools and machinery. (i.e. impact drills, bandsaw, table saw, router) Meet daily and weekly build goals set by supervisor. Fix or reject and "bad" product.

Sanding/Paint Finisher - Retrieve raw product from roughmill and get it onto factory floor. Sand raw product until all imperfections are removed. Moved product downstream of manufacturing line to finish where stain, seal and top coat can be applied. Apply stain, seal top coat to various types of wood. Quality check every piece for any dents, dings, scratches or other imperfections; bubbles in top coat, discoloration, etc. File proper paperwork to keep with order as if flowed downstream to be completed and delivered. Keep account of all pieces.

Other Work Experience/ History:

Sales Rep: Cars New/ Used, Door-to-door sales of various products and services.

Liquor store: Stock manager, Cashier Clerk.

Carpentry Experience: (FAMILY) framing, window replacement, roofing, building porches and patios.
