WORK EXPERIENCE

Delivery Driver

Napa Auto Parts - Martinsville, IN - 2016-05 - Present

Responsibilities

I would deliver parts to our customers and stock parts when we had free time.

Accomplishments

Learning how to stock things and inventory.

Delivery Driver

Brent Zink Incorporated - Indianapolis, IN - 2016-07 - 2017-08

I would come in and sort my FedEx truck, go out to the route and deliver the packages. I would have pick ups at certain times and I would help if I had time to in the area that I worked.

Laborer

Milestone - Indianapolis, IN - 2014-05 - 2016-04

Responsibilities

Helped with setting up traffic, working behind the paver.

Accomplishments

I learned to work at a fast pace and get things done at the job that needed done. If there wasn't nothing to do always find something to do because there was always something to do that needed done on road construction.

Skills Used

The skills I used at this job was speed and lifting things, not knowing anything about it coming in and working my way up and learning fast how to do things.

Builder/Installer

Nussli - Southport, IN - 2013-02 - 2014-08

Responsibilities

I built bleachers for different events for different things, such as for the indy 11 soccer events, the marathons downtown. We built them then took them apart.

Accomplishments

Being able to travel to different states and be away for months at time and still get work done.

Skills Used

Climbing, heights, working at a fast speed.

EDUCATION

High school diploma

Danville high school - Danville, IN

2008 - 2012
