As a dedicated and motivated professional, I am seeking a full-time career opportunity where my unwavering work ethic, determination, and positive attitude can contribute to both personal and organizational growth. With a solid background in forklift operations, material handling, and military experience in aircraft maintenance, I bring a diverse skill set and a proven track record of success. Eager to leverage my skills in a dynamic work environment that values hard work and provides opportunities for career development.

## Work Experience

---

### Forklift Operator

Comnet - Monroe, NC  
February 2023 to June 2023  
Stack rotors onto pallets and operate forklift to move the pallets

### Material Handler

Greiner Bio-One - Monroe, NC  
October 2022 to February 2023  
Operate forklift and electric pallet jack and carry material from warehouse to machines

### Picker/Packer

West Marine - Rock Hill, SC  
March 2022 to October 2022  
Operate an SP forklift and pick boxes from the aisles in the air and drop them down in the mods for stockers. Also using an rf scanner

### Active Duty Military

U.S. Air Force - Mildenhall  
December 2018 to May 2021  
Guidance and controls systems maintainer for c130j aircraft. Most of the job was removing and reinstalling components and some troubleshooting. Occasionally some basic soldering.
