WORK EXPERIENCE

Warehouse Associate

WC Pallets - Hudson, WI - September 2015 to Present

Responsibilities

I unload trucks with a sit down forklift. Then i stock the other workers with the product so they can cut and glue together cardboard. I also assist in fixing broken down machines.

Accomplishments

I started this job through a temp agency and was hired on as soon as my contract was up.

Skills Used

I showed problem solving skills when it came to broke down machines. I also showed great organization skills with the forklift when it came to inventory.

Warehouse Associate

Uline - Hudson, WI - March 2015 to June 2015

Responsibilities

I hand loaded 52' trailers with the companies boxed products.

Accomplishments

I was able to work there through an audit and got them an A for a grade as far as product safety and how well the truck was loaded.

Skills Used

I demonstrated hard work and dedication. I was there for 4 months and i never missed a day. They also certified me on the sit down forklift and the reach truck.

Tax Preparer

Jackson Hewitt - Hudson, WI - January 2013 to April 2014

I interviewed clients about their year and collected all their financial documents

- Entered all the data into a profiler on my computer and offered them multiple company products
- Took care of money transactions and kept the file drawer well organized and maintained

EDUCATION
