WORK EXPERIENCE

Oil and Gas

CDI - Evans, CO - 2017 - 2017

At CDI I learned many new things. I learned how to operate a skid steer as well as install plastic liner in the oil fields and how to properly clean out the wells. We mostly working in oil based rig sites. I also have my safe land certification

Solids Control Technician

Clear Water - Greeley, CO - 2017 - 2017

At clear water I worked 2 weeks on and 1 weeks off. I learned how to operate solids control in water and oil based rigs I know to to run a centerfuge as well as maintain mud weights. We also injected chems to the mud to change our mud weights

Steel division

Evergreen Industrial - Loveland, CO - 2016 - 2017

At Evergreen Industrial I hung steel for commercial buildings I also learned how to operate a Forklift, Skyjack, boomlift, and also a scissor lift. I worked with wall sheeting as well as siding and metal roofing.

Mover

Two Men and a Truck® - Loveland, CO - 2015 - 2016

At Two Men And A Truck I learned great communication skills as a mover and how to properly lift items correctly.

Pallet Sorter

ProPak - Windsor, CO - 2014 - 2015

At ProPak I sorted wooden pallets stored in a semi trailer 12 pallets high and I sorted them by color. I also drove a forklift to help pull the pallets from the semi to line them up and be sorted Blue, red, white, and black were the colors we sorted of pallets.
