## **Mechanic and Machinest**

Centennial, CO 80015

[nicholas.adam.hunter@gmail.com](mailto:nicholas.adam.hunter@gmail.com)

303-910-9784

I have over 20 years of experience working on motor vehicles and other machinery, including metal fabrication, welding, and assembly. I can effectively work on both the mechanics and aesthetics of cars and motorcycles, as well as a variety of other machines. I have a great working knowledge of computers and computer software. I am open and eager to learning new things, I am also able to demonstrate a positive attitude, as well as loyalty and dedication to my work.

Authorized to work in the US for any employer
