## Work Experience

---

### **Merchandiser**

dpsg or American bottling company

-

Rochester, MN

July 2016 to March 2017

Job duties included taking available product from back room and restocking all product in various spots/coolers out on the store. Also making sure all product organized in backroom, and as little back stock as possible. Also making sure the product is being rotated so no expired product is going on the floor or to the customers.

### **Janitorial /furniture moving**

Arnolds cleaning company

Was a janitor at the volleyball courts, made sure all floors swept and scrubbed, all bathrooms cleaned and mopped, put everything back in the correct place, cleaned windows also brought out all garbage.

Then got offered a furniture moving position at IBM, pulled, pushed, lifted all sorts of items including all types of office furniture, taking apart desks moving them and put back together. Did office moves for employees also a lot of other computer items.

### **Remodeling /stocking contractor**

Through manpower at Walmart north

-

Rochester, MN

Took items off shelves reorganized and put items back, took old signs down put up new ones also some days just did stocking if they were short people.
