Authorized to work in the US for any employer

Work Experience

Master Assembler

Vergent Products - Fort Collins, CO

June 2018 to August 2018

In this job, I was required to swiftly assemble remote sprinkler machines in bulk, at a reasonably high pace of about 4 boxes in 5 minutes. Communication skills and the ability to work under pressure were vital to succeeding in this job.

I had to finish working here in August to continue school for 11th grade.

Education

High school diploma

Fossil Ridge High School - Fort Collins, CO

August 2016 to May 2020

Skills

- Assembly Line
- Microsoft Office
- Assembly Worker
- Basic Computer Skills
