EXPERIENCE

CoorsTek, Golden, CO — *AMP Technician 2*

August 2017 - March 2019

- Worked in a fast paced warehouse, while filling and delivering the orders of 4 different plants throughout Golden
- Operated various different powered industrial trucks, in a safe and efficient manner
- Demonstrated strong organization and problem solving skills

Sonic Drive-In, Westminster, CO — *Associate Manager*

April 2017 - August 2017

- Assisted in hiring and training the new employees, to the high standard held by my direct supervisor
- Kept track of labor costs, inventory, and the employees to ensure the store was running effectively while I was in charge
- Ensured the customers had a fast and friendly experience, while keeping the employees happy and working hard

Sonic Drive-In, Westminster, CO — *Crew Leader*

January 2016 - April 2017

- Started training to become a manager, which included, shadowing and learning from my direct supervisor
- Supported crew members in exceeding in customer service while understanding their struggles
- Gained some responsibility in my day-to-day in dealing with upset customers, dealing with payment issues, and learning to run shift alone
