### **Veterinary Assistant**

Rochester, MN  
ntsikidossantos@gmail.com  
(507) 271 3758

Highly motivated Veterinary Technology student who excels in clinical skills, zoology, and vaccine administration. Very passionate team player who knows the power of collaboration. I am currently seeking for an opportunity that will allow me to develop my veterinary assistance skills and grow as a young Professional.

### Work Experience

---

#### **Veterinary Assistant**

HERITAGE PET HOSPITAL - Rochester, MN  
April 2018 to May 2018

- Safely and effectively administered prescribed drugs to patients
- Demonstrated and performed patient assessment techniques on a variety of animal species
- Understand and integrated all aspects of patient management for common surgical procedures
- Followed and upheld applicable laws and veterinary technology professions ethical codes.

#### **Animal Technician**

Banfield Pet Hospital - Rochester, MN  
July 2016 to August 2016

- Monitored the health of animals; worked closely with the medical and behavior staff to coordinate care of animals.
- Performed necessary lab procedures and assisted Veterinarians with vaccinations and surgical procedures.

### Education

---

#### **A.S. in Veterinary Technology**

Rochester Community & Technical College - Rochester, MN

### Skills

---

CRITICAL CARE (Less than 1 year), MAINTENANCE (Less than 1 year), PATIENT MONITORING (Less than 1 year), PHARMACOLOGY (Less than 1 year), RADIOLOGY (Less than 1 year)
