DOB: 11/20/1967

To Whom It May Concern:

I have seen and evaluated Mr. Octavio Popoca at the NorthShore Neurological Institute on 4/4/2017 and he was able to return to work on a part time basis.

Please be advised that he is cleared to return to work full time on the 1st shift with the understanding of accommodating his need to avoid or minimize excessive straining or repetitive movements of the neck.

Please do not hesitate to contact me for any questions or concerns.

Sincerely,

F. Roberto Gil, MD MSc
