To whom it may concern,

Please consider me for the position you have open. I have attached a resume for your review.

I am a friendly, loyal and dedicated individual who has ambition to succeed in any given environment. Although I have extensive experience in the welding inspection field, I love to learn and am always up to the challenge, whatever the situation. I get along well with others, and work efficiently on my own.

I am seeking a position where I can develop and excel while giving my best to an employer.

I would appreciate an interview to discuss my qualifications and to learn more about the opportunities you have available.

Sincerely,

Noreen Coughlin
