## Education

**DIPLOMA, 2016-2020, URBANA HIGH SCHOOL**

- High School Diploma

## Experience

**ROBOT OPERATOR | FUYAO GLASS OF AMERICA | AUG 2020 – JUNE 2022**

- Helped a team close of ten co-workers run the production line before being promoted to running glue machines. I got promoted to operating Kuka robots to keep the production line from shutting down. Lastly, I soldered wires on back windshields on a conveyor belt.
- Employee of the month; April 2021

**PICKER/PACKER | AMAZON DISTRIBUTION | AUG 2022 – JULY 2023**

- Scan and place packages in the correct bag, grab packages from moving conveyor belt and placing them on correct number racks, before being promoted to an Inductor, scanning and placing labels on all packages after they are unloaded from pallets and placed on the moving line.

## Skills & Abilities

- **Efficient**; fast-paced production and accurate with my work
- **Amicable**; good attitude, good communication, & sports team experience
- **Reliable**; punctual, available, & responsible
- Kuka Robot Operation; 6 months experience
