Work Experience

Fulfillment Associate

Veritas Cannabis - Denver, CO

August 2021 to March 2023

My most recent position with Veritas, I was promoted from packaging to fulfillment. While in fulfillment I pulled orders in a fast paced environment while also creating invoices and manifests for orders being delivered. I also spent 6 months on the company volunteer committee where I attributed to ideas and also contributed to helping the community.

Metric Manager, Trim Manager,

Docs Apothecary - Denver, CO

August 2020 to August 2021

During my time with Doc's I have been the metric manager for five months. My duties are to create plantings both from seed and clone. I also complete harvests as well as move plantings from veg to flowering. I have also created test samples for employees and manifests for transporting product

Packaging Associate

Next 1 Labs - Henderson, CO

November 2018 to July 2020

During my time at Next 1 I worked as a machine operator for a year. My job was to calibrate the machine to label our packaging.
