📁 Experience

Weekend management/sales

Oneonta Vape Supply

September, 2020 — April, 2021 (7 months)

- Took inventory and compared the in store quantities to the quantities displayed on our computer.
- Proficient use of Square POS system, balanced the registers and recorded amounts and made bank deposits.
- Promoted in house products and encouraged customers to sign up for the purchase reward program offered at each location. Placed special orders for customers, refilled standard orders for product replenishment.
- Maintained the up to date mechanical/technical knowledge of each of our products and endorsement of any promotional displays or sensible upgrades specific for each customer.
- Memorized the flavor profile of over 30 different lines of E-liquid brands and their efficiency under particular coil resistance, and the variables involved depending upon tank/coil material used in it's construction.
- Store upkeep, kept workplace tidy and inviting.
- Held high numbers in sales for the duration of my employment.
- Communicated with several different vendors and negotiated promoting their products and attempted to receive the highest percentage of commission.
