Experience

Hydroblasting

Psc

January, 2018 — Current

Using super high pressure washing at 10k 20k and 40k Psi, super dangerous gases and chemicals for oil industry suncorp

Forklift supervisor

Costco wholesale

January, 2001 — March, 2013 (12 years 2 months)

I started in the deli, I did a transfer to floor for morning stocker, became a forklift driver for a whole section then I became a supervisor for food section I opened a new store in Parker Co I started in park meadows Costco. I managed inventory counts every 6 months and had control of D&D counts.

Owner

keep it clean carpet cleaning

April, 2013 — February, 2015 (1 year 10 months)

I owned my own carpet cleaning company I did government contracts for kids with autism and many more from apartment to small restaurants.

Car sales

Christopher Dodge world

February, 2015 — September, 2016 (1 year 7 months)

I trained to sale cars I did pretty good, I learned what I need to learn it is a very rewarding career if you do what you need to do in order to succeed.

Inventory Specialist

Builder's Corp

February, 2017 — December, 2017 (10 months)

I keep control of inventory, I order lumber based on daily counts and also coordinate all safety meetings we talk about our future changes with equipment and guidelines that needs to be followed, I manage all forklift safety inspection and repairs, order any other material as need it, I was doing Hr and doing interviews for a a while, I have lots experience with excel and working with computers managing software and keeping two truss plants running day and night, we broke 2 sales records this year. Controlling everything in both shifts night and days.
