

Osyus Pipkins

1755 S Beeler St. Apt. 9D, Denver, CO 80427 | 7204958212 | osyuspi22@gmail.com

Objective/Summary

- My plan is to get certified as a personal trainer and to someday own my own gym. I am skilled at production, tire and oil changes, cashiering, and inventory procedures. I am also experienced with computers and working with others around me. Working out and helping others to achieve their goals is my passion.

Education

HIGH SCHOOL DIPLOMA | MAY 27, 2015 | VISTA PEAK PREP.

- General education
- 3.68 GPA

BACHELORS IN EXERCISE SCIENCE & FITNESS | SEPTEMBER 14, 2015-PRESENT | BRYAN UNNIVERSITY

- Major: Exercise Science & Fitness
- Performing exercises safely
- Working out properly and effectively
- Focus on muscle groups and how they work
- I can tailor the work out plans to each individual

Skills & Abilities

MANAGEMENT

- Management of inventory
- Cashier

SALES

- Sales of product and services

COMMUNICATION

- I find it easy and very interesting to talk with others. Interacting with others allows me to get different points of view and learn from someone else's knowledge. Communication is key because without it, then there can be a lot of confusion.

LEADERSHIP

- I've trained people how to run the cash register, change tires, change oil, stock shelves, and package material. Working out and helping others to achieve their goals is my passion. I was the lead role model in my Strength and Conditioning class in high school.

Experience

SALES ASSOCIATE | WALMART | OCTOBER 30, 2014-FEBRUARY 15, 2015

- My responsibilities while working as a Sales Associate were:
- Check inventory for customers
- Restock shelves
- Run the cash registers
- Provide helpful information the customer needs
- Follow safety guidelines to keep customers, employees and myself safe

CERTIFIED TECHNICIAN | WALMART | FEBRURARY 15, 2015-MAY, 7 2015

- My responsibilities while working as a certified Tire & Lube Technician were:
- Change and replace oil on numerous vehicles
- Check, repair, and/or replace tires on numerous vehicles
- Oil disposal safety protocol
- Reset oil and/or tire lights in vehicle

PACKAGER| BASF CONSTRUCTION CHEMICALS| JULY 11, 2015- NOVEMBER 11, 2015

- My Responsibilities while working as a Packager are:
- Package product to be shipped
- Follow safety guidelines
- Make sure that product is presentable
