## Work Experience

---

### **Plant Lead**

Waste Management - Denver, CO

January 2021 to January 2023

I was responsible for plant production, employee safety, and training. I have also been a store/ warehouse manager for Advance Auto parts for a decade. I am a self starter that works very well in my own as well as a great people leader. I have spent the last two years at a recycling facility. I also have a year of medical equipment work in during the late nineties.

## Education

---
