Objective:

To obtain a career in the field of Industrial and Systems Engineering, that will provide me with learning experiences, challenges, and will allow me to make a positive impact within Corporate Management Group.

Education:

Bachelor of Science in Engineering - Industrial and Systems Engineering
The University of Alabama in Huntsville

May 2012

Relevant Coursework:

CAD (Computer Aided Design), Engineering Economy, Probability and Statistics, Intro to Machining, Materials and Manufacturing Processes, Statistical Quality Control, Work Design, Supply Chain Management, Project Management, Technical Writing, Public Speaking, Senior Design Project

Work Experience:

Desk Manager, UAHuntsville Housing January 2011 – August 2012

- Trained and supervised 30+ desk assistants on serving and assisting the residents.
- Scheduled desk assistants' hours and ensured all standards and procedures were met.
- Encouraged and motivated desk assistants to present a welcoming and comforting environment.
- Assisted the Resident Director with the administrative work within the residence halls.
- Awards: Supportive Housing Staff Member of the Month/Year.

President, UAHuntsville Student Government Association April 2011 – April 2012

- Advocated for students by hosting events with administration to give feedback for campus decisions by connecting the faculty, staff, and administration to the students.
- Expanded senate and executive officers by 50% in five months.
- Managed a budget of \$200K for the academic year.
- Implemented positions such as the Director of Organizational Funding and the Director of Events.
- Created student committees for New Student Center, Hockey, and Food Service.

Resident Assistant, UAHuntsville Housing January 2009 – April 2011

- Served as a mentor and leader for residents who are seeking guidance through college.
- Coordinated events for residents with the goal of teaching them life lessons, academics, and creating opportunities to make social connections; some of which included presentations with Dr. Michael Griffin (former Head of NASA) and Dr. Vistasp Karbhari (UAHuntsville Exec. VP).
- Assisted the Resident Director with the administrative work within the residence halls.
- Awards: Programs of the Month/ Year, Supportive RA of the Month.

Activities/Awards:

- Pi Kappa Alpha Fraternity August 2008- April 2012
 - Campus Involvement Committee Head August 2008- April 2012
 - Risk Awareness Committee Head January 2012
 - Brother of the Year 2012
 - IFC Man of the Year 2012
 - Pike University 2011
