PROFESSIONAL SUMMARY

I started at the railroad as a conductor and in 4 years worked my way up to Crest operator, remote engineer, yardmaster and dispatcher. I became a full time dispatcher 3 months after qualifying. After the railroad I worked as a reach truck operator in a couple of warehouses through a temp agency. I am a hard worker who likes to take charge and lead. I give 100% when I work. Always try to make sure the job is done right and in a timely manner.

SKILLS

- Works well under stress.
- Work well with others.
- Always on time for work.
- Great problem solving skills.
- I am a leader.
- Meticulous about my work and want it done right and in a timely manner.
- Experience with overseeing other people and crews to make sure work is done.
- Certified in forklift operation
- Materials handling
- Safety-conscious
- Fast learner
- Computer-savvy
- DOT regulations
- Physically fit and agile

WORK HISTORY

REACH TRUCK OPERATOR

08/2017 to 02/2018

Prologistix | Granite City, IL

- Removed orders from storage, wrapped and staged for shipments.
- Transported goods between warehouse locations according to shipment and storage needs.
- Updated computer tracking systems to document movements.
- Picked up incoming stock and delivered materials to designated locations.

TRAIN DISPATCHER

07/2002 to 10/2015

Terminal Railroad Association | Venice, IL

- Obtained documents, clearances, certificates and approvals from local, state and federal agencies.
- Verified data integrity and accuracy.
- Supported Chief Operating Officer with daily operational functions.
- Copied, logged and scanned supporting documentation.
- Responded to customer requests via telephone and email.
- Properly routed trains throughout the St. Louis metro area.
- Worked with other railroads and dispatchers to efficiently move trains and crews within hours of service.
- Also worked as a yardmaster, crest operator, remote engineer and conductor. Working these jobs helped make me a more efficient dispatcher.
