Work Experience

Assistant Warehouse Manager

Stonegate Foods - Shakopee, MN

May 2017 to Present

I assist the manager with a variety of tasks. Locating and delivering product to production. Receiving products following BOL information,. Properly tagging and locating in the warehouse. I also use a stand up and sit-down forklift to complete my tasks. I also have computer proficiency with a variety of warehouse management software.

Forklift Operator

Illume Candles - Bloomington, MN

October 2016 to May 2017

I was responsible for moving a variety of product from the warehouse to production in a timely manner. I moved product using an RF scanner as well. I organized products in warehouse for systematic retrieval and updated info into the computer database.

Forklift Operator

Polyone Corp - Eagan, MN

October 2015 to October 2016

Synchronized scheduling and monitored orders to ensure customer orders were promptly processed and completed in a timely manner.

Conducted physical inventory updates, performed cycle counts and completed order billing.

Transported products into the warehouse from production; Coordinated and organized stock.

Accurately retrieved items from work orders, verified and completed shipment paperwork.

Safely operated both sit down and stand up forklifts, pallet jacks, turret trucks and powered lift trucks with a proven safety record and 0% accident rate.

Efficiently organized products in warehouse for systematic retrieval and updated info into the computer database; Pulled invoices and performed cycle counting; Verified products in stock.

Loading and unloading of product.
