In order to request a Payroll Debit Card for you, we must provide all of the following information that will enable the financial institution to identify you. If you do not submit a Direct Deposit/Payroll Debit Card Authorization, ESSG will provide the necessary information and issue you a Payroll Debit Card to pay your wages. For your protection, the financial institution may ask you to provide them additional identification information so they can verify your identity.

Except for the routing and account number, ESSG does not have access to any information regarding your Payroll Debit Card account or transactions. On your first payday, you will receive your new Payroll Debit Card, and a packet containing all of the terms and conditions.
