Work Experience

Material Handler/Forklift Operator

Karcher North America-Aurora, CO

October 2024 to December 2025

As a material handler/ forklift operator. it is my responsibility to provide the press break operators with metal materials to work on and keep a constant/ steady flow of jobs throughout the day. Other duties include receiving parts when necessary and/or moving parts to their next location in order to be prepped for their next step (taken to weld, paint, coating, etc). It is vital I ensure that throughout my shift that there are no parts that remain sitting for excessive amounts of time and that everything I receive is properly counted and stored away within its proper location. When available I am required to organize parts, maintain cleanliness around my areas, and partake in a yearly cycle count to ensure the accuracy of our counts. I am also required to safely operate a forklift within tight and crowded spaces to move pallets and store away parts when necessary.

Birdcall shift leader

Birdcall-Boulder, CO

October 2023 to January 2024

As a shift lead I am responsible for running the night shifts as smoothly as possible. It is my duty to ensure that team members are staying on task, the filters for the fryers used throughout the day are changed daily, pulling kitchen equipment and cleaning behind crevices and hard to reach areas, it is also required to be able to stand for long periods of time and being able to lift more than 50 lbs.

Taco Bell Team Member

Taco bell-Boulder, CO

March 2021 to September 2023

As a team trainer i am required to learn how to take orders and how to properly make the menu items. In doing so, it would then be my responsibility to train any newcomers and teach them everything I know plus more!

Education

High school diploma
