Work Experience

Warehouse Associate

M & A Freight - Clearwater, FL

March 2014 to December 2023

My day to day was unloading the trucks as they came in by pallet jack, handcart or forklift. I also picked orders and prepared them for shipment. I have worked factory jobs in my younger years, I like working in an industrial type environment. I strive to do my best at whatever the job is at hand.

Rack and pack/Plater assistant

Sunglo plating - Pinellas Park, FL

April 2007 to June 2013

I started doing rack and pack then took interest in the plating line and moved up on the floor helping the plater move racks and such thru the cleaning, acid dip and plating process on thru to packing
