Work Experience

Shipping Clerk

First Supply - Rochester, MN

October 2011 to September 2012

As a shipping clerk I fill orders and load trucks. I know how to operate a fork lift and drive box trucks. I am on my feet all day pulling, pushing and lifting products that are sometimes 50 lbs or more. I also ship orders by computer, print out orders and labels for boxes.

I'm required to occasionally stay later than scheduled to get the job done and there for have a flexible schedule in order to maintain a 40 hour work week. I complete tasks in a timely and efficient matter and follow procedures accordingly.

Roofer

JM Roofing INC - Viola, MN

September 2010 to October 2011

I was in one of the very few slate and tile roofing companies in the MN area.

I was required to work in really high areas, such as 2+ story buildings and climb ladders and scaffolding while carrying roof slate and roof tile. Spent many hours in extreme weather conditions both during the summer and winter season. We also traveled to the cities for different jobs. Many times we did regular maintenance on slated or tiled roofs with damage.

Temp

Labor Ready - Rochester, MN

December 2009 to September 2010

While I was working for Labor Ready I got the opportunity to work over nights restocking and remodeling the Home Depot in Albert Lea, MN. I also got to remodel the South East Walmart in Rochester.

Dishwasher

Grandmas Kitchen - Rochester, MN

September 2007 to November 2009

Washed Dishes and put them back in their designated areas. Helped cleaned tables sometimes helped prep cook.

Education

High School Diploma

Mayo High School Class of 2009 - Rochester, MN
