At the age of 17 I was working with a cleaning business called SOS Cleaning, this cleaning company was owned by my grandma. I started helping her out because she was getting old. About first month into cleaning I was doing great, after that I started cleaning bigger houses the second month. I would love to have another cleaning job at a cleaning business, when cleaning I use passion, hard work, growth mindset, and dedication to make everyone's house look phenomenal.

Willing to relocate to: Loveland, CO - Greeley, CO - Fort Collins, CO

Authorized to work in the US for any employer

## Work Experience

---

### **Oil Change/Auto Service's**

Valvoline Instant Oil Change - Windsor, CO

September 2022 to April 2023

I have good skills on working with mechanic's! Very good computer technician skills as well! This job I had to do not only oil changes, but automatic transmission flushes, front and rear differential service's, changing oil filters, changing serpentine belts. Knowing the engine of the cars, trucks, semi's I'm working with for engine air filter replacement's along with other items, oil filter's, coolant flushes, cabin air filters, and diesel fuel filter replacement's. I give 100% of effort with no slacking and I'm always reliable and teachable, also involving being respectful to coworkers, managers, and customer's as well.
