

RESUME:

Thomas W Beddor

11940 44th Ave N

Plymouth, MN. 55442

612-916-8364 / cell

beddorcontracting@gmail.com

Objective:

Career change. I have owned and operated my small demolition company for the past 6 years. My main focuses over the past years have been sales – project management and estimating. I am open to a wide variety of new positions such as an apprenticeship. I am looking for a long-term position that offers career growth with a solid company. I have decided to shut down my company.

November 2012 – Present
