¹Third parties may impose additional limitations or charge a separate fee. Reload providers may set a minimum load amount. For security, we may impose additional limits on the amount, number, or types of Money Network Service transactions you may make.

²These limits apply to the transaction types identified. Your Fee Schedule identifies the transaction types available to you and the applicable fees.

³If you are participating in the payroll program of the employer that initially enrolled you into the Money Network Service, the Maximum Account Balance does not apply to wage deposits received from that employer. Loads via other load transactions may be rejected if you have reached the Maximum Account Balance or the load will cause your Balance to exceed the Maximum Account Balance.
