Facilities Maintenance/Chemical Operator: Phizer/Hospira--Corden Pharma

2075,55th St. Boulder, CO. 80301

Supervisors: With Phizer, Dave Miskel/Bob Brown, With Corden, varied by maint/chemical

Ph--#303-442-1926

Duties: With Phizer/Hospira, Facilities Maintenance of an active pharmaceutical ingredient production site

Sevicing all HVAC and filtered exhaust systems, air compressors for both service and breathable air use.

Point of use boilers and hot water make up units. Maintaine and service RO/DI water make up system.

Compliance with all sSOP requirements and full cGMP documentation. Use of SAP work order system.

Safe work center compliance (lock out/tagout) scope of hazards work planning, and EPA/FDA compliance.

Use of PPE for hazardous material safety. Haz-Mat protection use of suits, resperators and powered air supply systems. Haz-Mat desposal and documentation.

With Corden Pharma (Phizer/ Hospira was bought out by Corden) Active Pharmaceutical Ingredient production. Calculations for mass, weight, volume of campain build up for desired final product. cGMP compliance for FDA/EPA and end use customer accountability. Process controls and sanitation of large mixing reactors, piping and hoses. PPE use for all chemical hazards, level of protection required determined by IDLH, TWA, LEL and HDL limits. Documentation and Procedural Process step by step sign offs.

08/2016-06/2017

Maintenance Mechanic: Boral Roofing Systems

10121, Dallas St. Henderson CO. 80640

Supervisor; **Grant Wertz** Ph-#303-286-3856

Duties: Maintenance, Repair and set up of high speed cement moulding equipment for the production

of Cement Roof Tiles. Working with motor controls(VFD's and PLC's) Conveyors, Belt Elevators, Dust Control

Systems. Repair and replace electric motors and pumps. Operations of Fork Lifts and Hoisting equipment

Welding, MIG, Stick and Helium wire feed for Aluminum, braising and soldering of copper plumbing .

Use of shop power tools, saws, drills(metal and wood). Safe Work planning ,Lock Out Tag Out, Fish Bone

Fault Analysis, and First Aid.

09/2014--07/2016

Maintenance Mechanic HVAC Support- **Jones Lang LaSalle/Sandoz-Broomfield**

2555, Midway, Blvd. Broomfield CO. 80020

Supervisor; **Roy Belic** ph-# 720-308-9711

Duties: Facilities support maintenance and repair of a pharmaceutical production site. Including large HVAC equipment air handlers, make-up air units, chillers, exhaust fans and pumping systems. Compressed air systems with dryers and filtration including breathable air. Humidification steam boilers and controls, catalytic convertor air exhaust fume scrubbers. Use and documentation of FDA compliant records keeping paperwork (SAP). Safe Work Practices Policy Compliance. VFD and PLC controllers, signal trace for trouble shooting and repair, preventative/predictive maintenance. Plumbing service and repairs, electrical/electronic controls service and repair. Use of Menta-Synth Building control system.

07/2006-08/2014

Maintenance Mechanic: **King Soopers Bakery, Denver CO.**

60 Yuma street, Denver CO.

Lead/Foreman: **Tim Curtis**, ph# 303-428-0983

Duties : Maintenance and repair of Production Bakery Equipment and Systems. Large gas fired ovens, over 25 million btu's. Forced air flour delivery systems, conveyors, compressors, large mixers and high speed blenders, filling injectors, batter dispensers. Electrical and Plumbing service / support, motor controls, VFD's and PLC's. Fabrication of assemblies, welding arc and mig, soldering wire and pipe, plasma cutting, brake press and shear.

10/2005-07/2006

Maintenance Mechanic: **Denver Mattress Company.**

5475, Joliet, st. Denver CO. 80239

Supervisor: **Dennis Bailey** ph-# 303-375-9222

Duties: Repair and maintenance of factory production equipment/support systems. Conveyors, pneumatics, hydraulics, PLC and VFD controls. Large air compressors (150-hp). Electrical / plumbing installs and service, welding arc and mig.

11/2004-10/2005

Maintenance Mechanic: **Amgen-Boulder CO.** Contract Temp service through **YOH Staffing.**

Supervisor: Amgen, Gary Gardner. YOH Contact, Sean Kinsey ph-# 303-280-9000

Duties: Perform Mechanical Maintenance and repair for GMP Pharmaceutical Production Facility, compliance with CFR's and DEA/FDA regulations. Compliance with

Amgen Training courses: CGMP, Lock out/Tag Out, Confined Spaces Entry. Various Maintenance "TE/TQ" requirements.

06/2004-11/2004

Maintenance Mechanic: **Nestle Purina Pet Care Co.**

4555, York st. Denver CO. 80216

Supervisor: **Ted Cash** ph# 303-295-0818

Duties: Maintenance/repair of pet food production factory equipment, mixers, grinders, emulsifiers, stream extruders, hot air shaker/driers, forced air conveyors, Hydraulics and Pneumatics. 2G work environment (grain elevators), Safety compliance, electric motor controls VFD and PLC controls. Electric fork lift repairs and maintenance. Welding, arc and mig, soldering wire and pipe.

09/2001-06/2004

Maintenance Mechanic Facilities: **Proligo LLC**

6200, Lookout rd. Boulder CO. 80301

Director: **Adrian Chavez** ph# 303-516-3100

Duties: Facility Support, Service, Maintenance, Repair and Documentation of Bio-Tech Laboratory equipment and support systems. Compressors, air purification, mixed gasses distribution, chillers and HVAC equipment. Haz-Mat control and clean up. First-Aid/CPR/Haz-Woper III Certified Responder. Operation and use of Johnson Controls Menta-Synth and CSI-INET Building control Systems.

05/1997-08/2001

Maintenance Mechanic: **Mobile Tool International Inc.**

5600, W. 88th, ave Westminster CO. 80031

Foreman Lead: **Sam Brito**, ph# 303-427-3700

Duties: Maintenance, trouble shooting, repair and documentation of Metal Factory Production Equipment. Bridge Cranes and Jib Hoists, Metal Saws, Shears, Plasma and Laser Cutters, Multi-Ton Brake Presses and Punches, 2, 4 and 4 Axis Mills, VFD, PLC and CNC controls. Hydraulic and Pneumatic service systems, Electrical and Plumbing service/support. Paint and Powder Coat booths, washers dryers, bake oven. Forklift service and repair, gas and electric, large lead acid battery care/monitoring.

07-1994-05/1997

Assembler/Wiring/Maintenance: **Electric Power Equipment Company**

5151, E. 56th, ave, Commerce City CO. 80022

Shop Foreman: **Mike Turner**, ph# 303-288-0751

Duties: Fabrication, Assembly, Wiring of custom Electrical Power Distribution Controls and Safety Devices. Construction of A.G.R.S. Test Stand for USMC Vehicle support. Maintenance and repair of shop equipment.

10/1993-07/1994

Install/Service: **Pro-Tech Security, Inc.**

2885,E. Aurora 15-A, Boulder CO. 80303

Owner: **Dan Swathwood** P.D. Officer Northglenn CO. ph# 303-444-8626

Duties: Install and Programming of Residential/Commercial burglar/fire alarm systems. Experience with Moose,SSI and Ademco systems. Design, manufacture and install of custom anti - theft/tamper alarm for coin op air boxes.

02/1988-09/1993

Field Service Technician: **Colorado Copier Systems**

637,S. Pierce,ave, Louisville, CO. 80027

Supervisor: **John Ladota** ph# 303-655-7700

Duties: Maintenance,troubleshooting and repair of Sharp/Toshiba office copiers at customer's locations. In shop set up and testing of new Sharp copiers, rebuild/refurbish of used copiers. On site customer familiarization training.

Education:

High School: **Iver C. Ranum**,Westminster CO. Class of 1978

Technical School: **Denver Institute of Technology**, 1 year 1986-1987

Military Experience: **U.S. Naval Submarine Service** , 8 Years 1978-1986

Naval Submarine Weapons Systems Electro-Mechanical Computing Systems,Qualified Submarine Service, Maintenance and repair of Hybred Digital/Analog Data Systems and Support Equipment. Hydraulics, Pnuematics, High-Pressure Air Delivery Systems (2000-4500psi). Ship Board Security,Small Arms Proficient, Maintenance-Repair-Documentation of Tactical Weapons Control/Delivery System.
