

RANDY WIMER

1412 MacPool St, Dacono, CO 80514 303-304-6651 Randywimer82@gmail.com

PROFESSIONAL SUMMARY

I like to learn constantly, and I like to learn fast, and when I get interested in something, I submerge myself in the knowledge I need to obtain, .

I have worked everything from the food service industry jobs, to the transportation industry jobs, and a lot of jobs in between.

I have a lot of Hobbyist experience too.

I am a life long artist, and visual content creator utilizing everything from Digital art to Cameras, Drones and even Airbrushes pencils and basic art supplies.

I Build, Program, Tune and Pilot Unmanned Aerial Vehicles (Drones) and I hold a current and up to date Federal Aviation Administration Part 107 UAS License

Art, Electronics, Drones and Remote Control have always kept my interest as there is always something new to learn
