## Work Experience

---

### **Route Driver**

United Site Services - Denver, CO

October 2018 to May 2020

- Perform basic service truck driving functions in accordance with USS and DOT requirements.
- Perform all work duties in a safe manner in accordance with USS and DOT safety standards to ensure no accidents or injuries.
- Perform duties by sitting, standing, stooping, kneeling, crouching or crawling. In addition, perform lifting/pushing between 50 and 150 lbs. on a frequent basis during work shift.
- Conduct portable toilets servicing to USS 8 point service standard.
- Perform customer service interaction when on customer work sites to ensure they are getting the services completed to their standard.
- Ability to be flexible in order to meet customer needs when routes need to be adjusted or changed.
- Provide routing feedback to Operations Manager/Supervisor/Coordinator to be most efficient as well as giving the customer the best service possible.
- Ability to strategically plan for customer needs by discussing their portable toilet needs, so the customer's current and future needs are satisfied.

### **LOADER/PICKER**

Office Depot OfficeMax - Grand Prairie, TX

April 2017 to January 2018

Im a loader picker bulk merchandise scan orders to assigned trailers pick orders and place on pallets wrap plate each pallet and load to assigned trailer. All Trailers must leave by assigned time. Count replenish all Racks where order was removed from. I supervise all shipping docks, certified on Stand up Crown RC, Crown Lifts, Crown Pallet jack, use Microsoft Systems to count, check orders and receive orders

### **CLAIMS/DISPATCH**

Warrantech - Bedford, TX

May 2015 to February 2017

I am a pivotal bridge between customer and service center for filing a new claim or checking the status on a claim. I Q&A to customer to file a claim on major appliances such as Refrigerators, Oven Stoves and TV and Major Components schedule a appointed time and date, provide customer with claim info and dispatch out claim. I also provide important contract information regarding the customer coverage

and what is and what is not covered. Goal is to save company revenue as much as possible with a low and effect measure to assist and provide customers with best service options to fit customer needs.
