Hi there!

My name is Raven, although everyone calls me Rae. I am currently working at One Love Smoke shop, but I am also looking for a part time position, be it customer service, food service, or hanging out with fur babies, I'm ready to work. I am very energetic and personable. I love helping out when ever there is an opportunity. I'm also a bit of a neat freak when it comes to my work space, so expect to see that fairly organized. I cant wait to speak to whoever has the chance to take a peak at my resume! Please feel free to email, call, or text me with any questions you may have.

Thank you so much!
