## Additional Information

---

I have experience driving a 24ft delivery truck, as well as experience driving other commercial trucks. I can safely operate a pallet jack and forklift, and have experience in other warehouse operations. I have exceptional customer service skills, strong written and verbal communication skills, and also have cash handling experience. I am very effective in high expectation work environments and I am willing to start in an entry-level position to prove worth, while being committed to achieving company goals.
