Objective

To obtain a position as CDLA driver or Linesman Apprentice

Skills

CDLA	Forklift	Bobcat	Excavator
Tractor trailer 40",48",53"			

Experience

May 2021 — November 2021

Most recent : PEPSI Driver

I would operate a tractor trailer and make deliveries to restaurants and corner stores. Came with using a dolly to make delivery to cooler and customer service and making sure count matched Invoice. Complete all deliveries and clean out trailer for warehouse.

Groundman | Sturgeon Electric **June 2019 – November 2020**

- Operated machinery including excavator, forklift, Bobcat
- Installed highway lights along I-70 project, including setting up light poles, light signs on roads and highway exits
- Responsible for digging trenches and creating pathways to manholes for electrical boxes and feeding electrical main feeds to power all traffic lights.
- Upgraded all lights and light signs to LED on DIA airstrips

Order Selector | Bunzl Distribution **April 2018 – June 2019**

- Selected merchandise in warehouse with a forklift for retail corporate customers
- Loaded and wrapped selected merchandise on pallets and placed on the loading dock for loading onto trucks
- Responsible for training new order selectors

Labor/Finisher | Hensel Phelps

January 2018 – July 2018

- Assisted concrete finishers to pour slabs and walls
- Set the forms that hold concrete to the desired pitch and depth, and aligned them

June 2017 – December 2017

- Spread, leveled, and smoothed concrete, using rake, shovel, trowel, screed, and float
- Molded expansion joints and edges, using edging tools, jointers, and straightedge

Land Surveyor | RRC

- Responsible for set up of navigation and radio base for the crew of five to seven people
- Conducted surveys to establish legal boundaries for properties, based on legal deeds and titles
- Surveyed open lands to find water, oil, electric and gas lines so the company could determine where to run their pipelines
