

Aaron Beatty

Cleveland, TN 37312 | +1 423 641 2951 | aaronbeatty86_2j5@indeedemail.com

Professional summary

Dependable operations and customer service professional with over 15 years of experience in manufacturing, shipping, and client relations. Skilled at managing account details, coordinating across departments, and resolving production/delivery issues before they reach the customer.

- Key Areas: Account Management • Inventory Control • Cross-Department Liaison • Order Tracking (ERP/SAP) • Customer Resolution

Work experience

Warehouse Associate / Logistics Specialist

Capstone Logistics | Cleveland, TN

January 2026 to August 2026

- Coordinated real-time receiving, order staging, and shipping activities to ensure 100% on-time driver turnover and carrier dispatch.
- Verified accuracy of load documents, manifests, and shipping orders to ensure total carrier compliance before departure.
- Communicated daily with site supervisors, drivers, and external logistics coordinators to resolve shipment discrepancies, weight adjustments, and scheduling delays.

Production Specialist

Axalta Coating Systems USA | Chattanooga, TN

June 2025 to January 2026

Supported high-volume manufacturing operations, operating production and material-handling equipment in accordance with standard operating procedures

- Measured, mixed, and processed raw materials accurately based on detailed formulations to ensure consistent product quality
- Monitored batch quality, documented production data, and ensured finished products met safety and performance standards
- Cross-trained in all production positions and routinely covered multiple roles during call-outs to maintain uninterrupted production flow
- Maintained equipment and work areas through routine cleaning, basic maintenance, and strict adherence to environmental, health, and safety regulations

Altoids Rover Operator

Mars Wrigley | Chattanooga, TN

January 2024 to May 2025

- Maintained peak processing line efficiency, cross-referencing mechanical output criteria directly against structured manufacturing facility plans.
- Actively participated in identifying and executing operational process updates to support plant-wide throughput and scheduling improvement goals.

Material Handler/Forklift Operator

SCHNELLECKE LOGISTIC | Chattanooga, TN

December 2022 to January 2024

- 🚛 Operated powered industrial trucks to transport materials from loading docks to warehouse locations.
- 🚛 Conducted daily forklift inspections, ensuring equipment safety and minimizing downtime.
- 🚛 Ensured product integrity by carefully scanning and inspecting materials before transportation.
- 🚛 Efficiently maneuvered materials to designated areas, reducing transport time by optimizing routes.

Material Handler / Forklift Operator

Eaton | Cleveland, TN

July 2021 to October 2023

- Managed incoming and outgoing plant shipping/receiving logistics, checking trailer cargo and executing vital shipping documents.
- Performed high-frequency SAP ERP data entries to track parts availability, optimize staging locations, and maintain spotless material inventory records.

Material Coordinator

Novolex | Chattanooga, TN

March 2020 to July 2021

- Reviewed, distributed, and synchronized production schedules, work orders, and upcoming transport plans to consistently clear strict distribution deadlines.
- Compiled, reviewed, and formatted structural updates detailing active work progress, real-time raw stock inventory levels, and immediate production floor bottlenecks.

Shift Coordinator

BARKU PLASTICS | Cleveland, TN

December 2016 to October 2019

- Added raw materials to production lines and set up machinery to ensure continuous operation.
- Served as "3rd Key" lead for the shift, stepping in to supervise floor operations, manage team workflow, and maintain shift continuity in the absence of primary management.
- Coordinated daily production schedules, monitored machine outputs, and ensured safety and quality standards were met throughout the shift.
- Acted as the main point of contact for shift handovers, inventory tracking, and floor troubleshooting to keep operations running smoothly.
- Maintained a clean and organized work area throughout each shift.

Crew Member

Wendy's | Ogden, UT

June 2016 to September 2016

- ☞ Provided excellent customer service in a fast-paced environment.
- ☞ Handled cash transactions and ensured accurate change for customers.
- ☞ Maintained cleanliness in the dining and kitchen areas.
- ☞ Assisted in training new employees on customer service and operational procedures.

Sales and Service Rep II

Bank of America Credit | Salt Lake City, UT

November 2010 to August 2011

- ☞ Identified and addressed customers' financial service needs, preparing proposals to sell services.
- ☞ Developed new prospects from current customers and referral leads.
- ☞ Completed sales agreements and maintained accurate records of customer interactions.

Apprentice

Utah Sheet Metal Workers - Local 312 | Salt Lake City, UT

September 2008 to February 2010

- ☞ Fabricated, assembled, and installed sheet metal products and equipment.
- ☞ Operated fabricating machines, including cutting and bending sheet metal, and used soldering and welding equipment.
- ☞ Ensured smooth seams and joints, meeting quality standards.

Assistant Manager

Carmike Cinemas, Inc. | Chattanooga, TN

March 2007 to September 2008

- ☞ Led theater employees in daily operations, including scheduling and training staff.
- ☞ Managed customer service issues, ensuring positive experiences for patrons.
- ☞ Oversaw inventory control, cash management, and promotional activities.
