### Warehouse Worker

**U.S. Venture, Inc.** | Colorado

April 2024 to February 2026

Worked 3pm-11pm worked with tires all sizes. Would drive a standup forklift with a pallet on the back of it and scan your location of where your tires are going to be dropped, and have the scan tool tell u where in the warehouse to grab them from. Do that (3pm-8pm). Would load 18 wheelers full of tires that we pulled and lace them.(8:30pm-10:30). Finish off with verifying tires for the Morning crew to make sure there tires are right were they need to be. Also would operate forklifts that were meant to grab semi tires as well.

### Forklift Operator

**Noosa Yoghurt** | Berthoud, CO

January 2023 to February 2024

Work 6am-6pm building pallets of yogurt to be shipped that day on a truck. I would drive the forklift also to drop down pallets that needed to be picked. Used Toyota pallet jacks and Toyota forklifts.

### Forklift Operator

**Essendant** | Denver, CO

March 2019 to October 2022

Forklift operator, standup forklift, work 5am-1pm driving a standup forklift grabbing boxes from selfs to drop off to a section for customers to pick up (5am-8am), then I would grab full pallets off trucks and put the product away using a scan gun for the rest of the shift.

### Tire and Lube Technician

**Louisville Tire & Auto Care**

April 2016 to February 2019

Work 8am-530pm general maintenance, oil changes, wipers, headlights, dismounting/mounting tires in cars. Help out the other techs in the shop as well. Also close the shop at the end of the day make sure all cars were locked and garage doors were locked. Learned a lot about cars and got really good on working on them too
