Profile

Christian is an adaptable and hardworking professional with a colorful background enriched in auto mechanics, industrial and factory environments, and warehouse logistics, including loading and unloading trucks both manually and with forklift operation. Christian also has experience working with teams as a manager for restaurant's and has been recognized for strong leadership, team training, and the ability to provide excellent customer service. His greatest qualities are his ability to be detail-oriented, safety-focused, and skilled at improving operations, reducing waste, and consistently achieving performance goals. Christian has had the opportunity to work in various environments that increase his capacity to handle extreme conditions, such as cold, lifting heavy weight, and staying alert in spontaneous environments. He brings a strong work ethic, hands-on technical ability, and proves success at managing fast-paced, customer-facing environments.
