PROFESSIONAL SUMMARY

Highly skilled and safety-conscious Lead Assembler with over 12 years of experience supervising production teams and coordinating manufacturing logistics. Proven track record of streamlining assembly processes, maximizing daily production efficiency, and acting as a vital liaison between floor staff and upper management. Adept at maintaining rigorous quality control and strict corporate compliance standards in fast-paced industrial environments.

EXPERIENCE

SEPTEMBER 2013 - APRIL 2026 | LEAD ASSEMBLER | HOLCOMBE CVI | AULT, CO

- **Interpret and analyze** blueprints, complex schematics, and technical work instructions to streamline assembly processes and maximize daily production efficiency.
- **Utilize precision hand tools**, power tools, and specialized measuring instruments to assemble heavy machinery and components with high mechanical aptitude.
- **Supervise, motivate, and coordinate** a production team, acting as the primary liaison between floor staff and upper management to ensure clear communication.
- **Execute rigorous quality checks** and maintain meticulous compliance documentation to ensure all finished products meet strict corporate standards.
- **Demonstrate exceptional manual dexterity** and hand-eye coordination while consistently handling intricate, high-precision small parts.
- **Diagnose and troubleshoot** mechanical malfunctions in both assembly equipment and finished products to minimize operational downtime.
- **Maintain continuous physical endurance**, including standing for extended shifts and lifting heavy materials safely in a fast-paced environment.

SKILLS

- Mechanical Assembly & Troubleshooting
- Electrical Systems & Troubleshooting
- Blueprint & Schematic Reading (GD&T)
- Heavy Machinery & Industrial Equipment Operation
- Fabrication & Machine Operation
- Hydraulics & Chemical Handling
- Inventory Data Entry & Order Picking
- Forklift Operation (Certified)
- Warehouse Management & Cleanliness
- Truck Loading/Unloading
- Safety Standards & Compliance
- Teamwork & Personnel Delegation
- Production Planning & Continuous Improvement
- Conflict Management & Customer Communication
- Microsoft Office (Word, Excel) & Project Management Software
- Facilities & Landscape Maintenance

EDUCATION & CERTIFICATION

UPPER SECONDARY EDUCATION
FORKLIFT CERTIFICATION
CPR CERTIFICATION
